**DEFENDANT AMERICAN MEDICAL SYSTEMS, INC.'S ERRATA  
TO THE RECENT STIPULATION AND ORDER EXTENDING DISCOVERY**

17 COMES NOW Defendant, AMERICAN MEDICAL SYSTEMS, INC., by and through its  
18 attorneys, Alverson Taylor, Mortensen & Sanders, and submits this Errata to the Stipulation and Order  
19 Extending Dates in the Scheduling Order, which inadvertently indicated that "[t]he current discovery  
20 cut off be continued through and including January 3, 2010, and any discovery extension request shall  
21 be due on or before December 14, 2010." (See p. 3 lns. 3-4, Stip. and Order attached hereto as **Exhibit**  
22 "A") (emphasis added). As January 3, 2010 is in the past, the Order would not flow chronologically,  
23 or adhere to the Court's scheduling guidelines, it is apparent that the Order should have indicated that  
24 the discovery deadline in this matter would be January 3, 2011, not 2010.  
25  
26  
27  
28

///

As such, and by way of clarification, Defendant AMERICAN MEDICAL SYSTEMS, INC. and Plaintiff CAROL AUSTIN-FINK hereby petition the Court to take note of and authorize via signature this Errata confirming that discovery is extended until January 3, 2011.

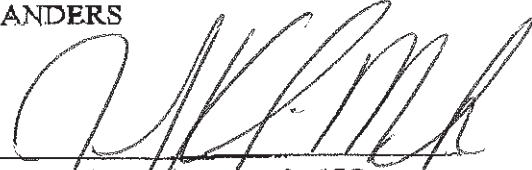

DATED this 29<sup>th</sup> day of July, 2010.

Attorneys for Plaintiff

UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

CAROL S. AUSTIN-FINK,

Plaintiff,

vs.

AMERICAN MEDICAL SYSTEMS, INC.,  
a Delaware corporation; DOES 1 through  
10, inclusive,

Defendants.

Case No.: 2:09-cv-01981-PMP-LRL

**STIPULATION AND ORDER TO EXTEND DATES IN SCHEDULING ORDER**  
**(SPECIAL SCHEDULING REVIEW REQUESTED)**  
**(SECOND REQUEST BEFORE THIS COURT)**

The Parties, by and through their undersigned counsel of record, hereby stipulate to amend the Court's Order to Extend Dates in Scheduling Order of March 12, 2010, by extending the October 1, 2010 discovery deadline for an additional 90 days (including the dates for disclosures as specified in FRCP 26(a)(2)).

Plaintiff's deposition was previously scheduled for May 26, 2010, and at the request of defense counsel her deposition was vacated and rescheduled for July 8, 2010. Plaintiff's counsel

JS  
R&A  
18349  
JH

1 subsequently advised defense counsel that Plaintiff would be in the process of moving during  
2 that time period to Arizona. The Defendant has agreed to vacate the deposition scheduled for  
3 July 8, 2010 and to reschedule it for sometime in August or September, 2010. Defense counsel  
4 is also vacating the deposition of Plaintiff's treating physician, Jeff Zapinsky, M.D., currently  
5 scheduled for July 26, 2010, in order that they may take the Plaintiff's deposition first. Plaintiff  
6 is also in the process completing her supplements to written discovery. This is the Second  
7 Request to extend the discovery deadlines in the Discovery Plan and Scheduling Order.  
8

9  
10 Plaintiff and Defendant are in the process of obtaining the necessary experts in this case  
11 and after the experts complete the review of the materials provided, Plaintiff will provide  
12 written discovery to the Defendant. This action involves complex medical issues that need to be  
13 further evaluated by experts. The parties have identified the necessary discovery in this case,  
14 which will take longer than the October 1, 2010 discovery cut-off date.  
15

16 **I. DISCOVERY PROPOUNDED BUT NOT COMPLETED**

17 The Defendant's have served written discovery upon the Plaintiff. Plaintiff is in the  
18 process of supplementing her responses. Plaintiff will initiate written discovery after the experts  
19 have completed their review of the medical records and other materials.  
20

21 **II. DISCOVERY THAT REMAINS TO BE COMPLETED**

22 **Depositions**

23 1. The parties anticipate that the Plaintiff will take the depositions of  
24 employees/officers of Defendant American Medical Systems, Inc., and believe three to four  
25 witnesses will be deposed. Plaintiff will also take the deposition of Defendant's expert(s).  
26

27 2. The Defendant will take the deposition of the Plaintiff and her surgeon, Jeffrey  
28 Zapinsky, M.D. Defendant will also take the deposition of Plaintiff's expert(s).

1 **III. PROPOSED SCHEDULE FOR COMPLETING REMAINING DISCOVERY**

2 The parties propose the following schedule for the remaining discovery:

3 1. The current discovery cut off be continued through and including January 3,  
4 2011  
5 xxx and any discovery extension request shall be due on or before December 31, 2010.

6 2. The parties shall submit their expert disclosures on or before November 1, 2010.

7 3. The parties shall submit their rebuttal expert disclosures on or before December  
8 1, 2010.

9 4. The parties shall file interim status reports as required by LR 26-3 on or before  
10 November 1, 2010.

11 5. All pretrial motions, including, but not limited to, discovery motions, motions to  
12 dismiss, motions for summary judgment, and motions in limine shall be filed and served no  
13 later than February 2, 2011  
14 later than February 2, xxxx such date being 30 days after the close of discovery.

15 6. The joint pretrial order shall be filed with the Court no later than March 4, 2011,  
16 such date being 30 days after the date set for filing dispositive motions.

17 Dated this 30<sup>th</sup> day of June, 2010.
